BILL FOLDER

Bill presenters are the final touch to the experience you offer your guests.

They are crafted from genuine leather, featuring hand-finished details and a custom logo application tailored to your business.

Color, size, and design options are available to suit the style of your venue.

Showcase the quality of your establishment even when presenting the bill.

Our handmade genuine leather bill folders add lasting value to your presentation, offering durability and custom logo embossing tailored to your brand.

MENU COVER

Menu covers are among the first points of contact a guest has with your establishment. Kalibru Art leather menu covers are handcrafted to match your business's style, featuring custom colors, dimensions, and logo applications. They are a durable, elegant detail that complements the overall table presentation.

Let the quality be felt from the very first touch. With their durable construction designed to withstand a fast-paced environment and custom logo embossing tailored to your brand, our handmade genuine leather menu covers serve as your most stylish signature at the table.

RESERVED TABLE SIGN

A detail that is both functional and stylish for table settings. It is designed to mark reserved tables in a way that is aesthetically pleasing and harmonious with the venue's overall style.
Leather color, font, logo, dimensions, and stitching details can be customized to match the venue's identity.

COASTERS

A small yet impactful detail for table settings. Handmade leather coasters add a touch of refinement to the presentation of coffees, cocktails, and other beverages while highlighting the venue's identity. Leather color, dimensions, stitching details, and logo application can be customized to match the venue's style.

CUTLERY HOLDER

It adds a simple, functional, and distinctive touch to the table setting. While organizing the presentation of forks, knives, and spoons, it also complements the overall look of the table.

Napkin Holder

Napkin holders add a simple yet refined touch to the table setting. Handmade leather napkin holders organize the presentation of cloth napkins while complementing the overall atmosphere of the table. Leather color, dimensions, stitching details, and lettering or logo applications can be customized to suit the style of the venue.

COFFEE FILTER HOLDER

A distinctive detail that keeps filter papers organized and easily accessible on the counter.

Handcrafted from genuine leather; it can be personalized with logo, name, and size options.

It can be custom-made to fit the specific size of the filter paper used.

MENU BOARD DESIGN

We prepare menu board writings suitable for the style of the place to be used indoors and outdoors.

Temporary applications can be made for changing menus, and permanent applications can be made for contents that will be used for a long time.

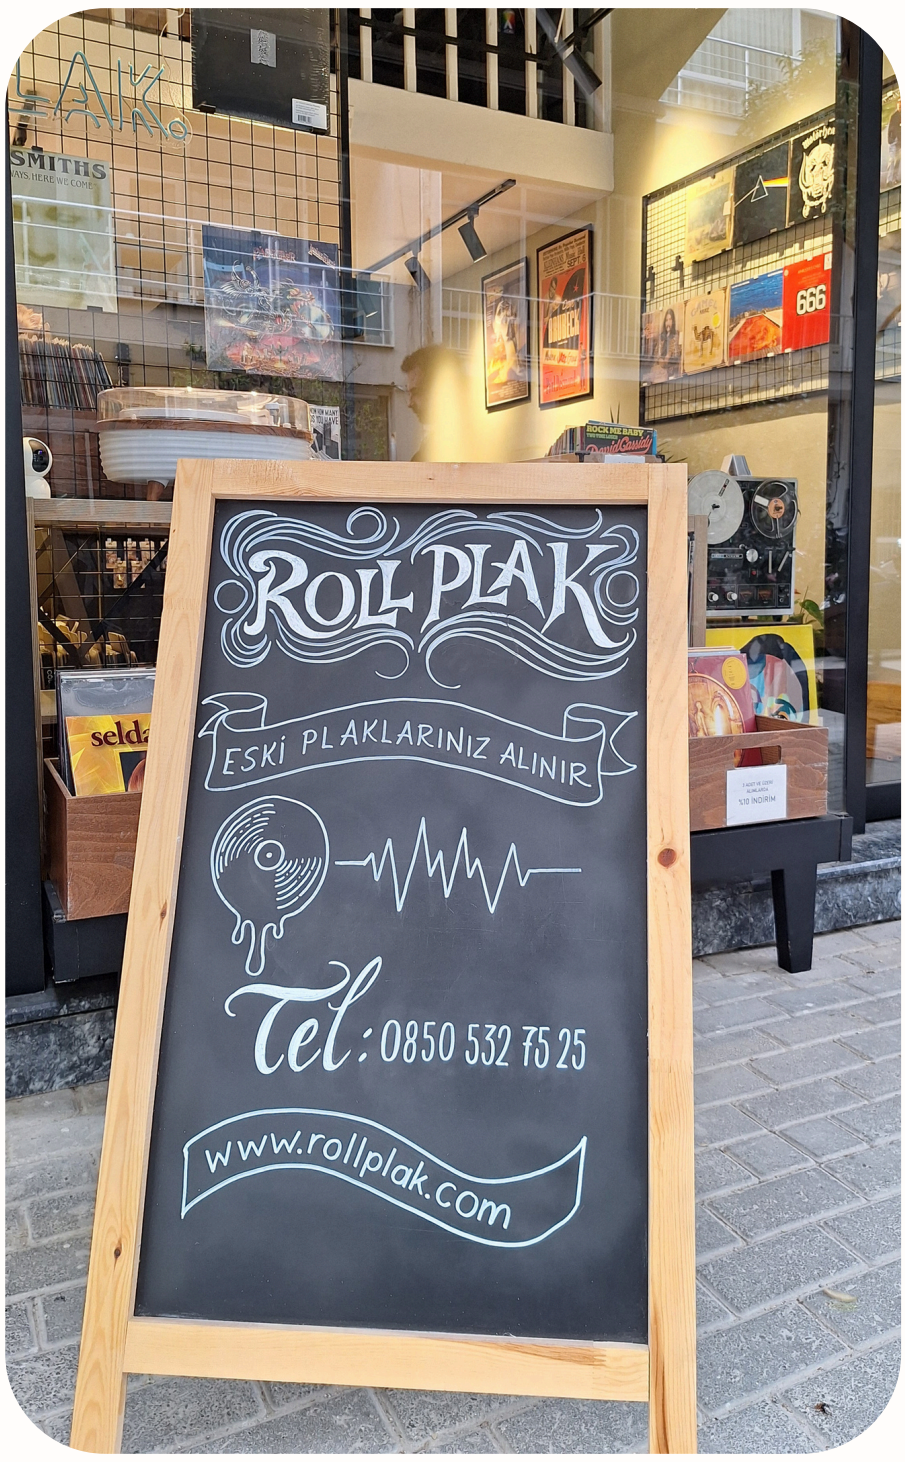

Menus, price lists and special announcements are written in a simple, legible, aesthetic and calligraphic writing style.
